Charity golf tournament Bishop Auckland Golf Club
Thursday 10th. June 2010

We are organising a Charity Golf Day, over the course at Bishop Auckland Golf Club. The main object is to raise money for the following charities, **“Wear Valley Riding for the Disabled”** and **“The Great North Air Ambulance Service”**.

The event will consist of teams of four players competing for a number of attractive prizes. Please find enclosed a copy of our poster, with the conditions of competition printed on the back, and also an entry form. You can make more copies if necessary or download them from:
www.bishopaucklandrotary.co.uk/Rotary/RotaryYear.htm.

It would be helpful if entries were to be submitted early to me, Peter Cooke at the above address, to have the best chance of securing your Members' required starting times.

Yours sincerely

Peter Cooke (competition registrar)

Conditions of Competition

Teams of four will play from the first tee at times laid down in the starting sheet. Gentlemen will play from the "yellow" tee markers, ladies from the "red" ones. Teams will use the special scorecards and stroke index prepared for the event. The Rules of Golf for Stableford stroke-play will apply, together with the Club's Local Rules. Any rulings that may be required will be given by the nominated Competition Referee. The stableford competition will be played from full handicap, limited for gentlemen to 24, and for ladies to 36. Team Captains are responsible for ensuring that every player in his/her team has a current handicap certificate issued by a recognised Golf Club, or, in the absence of such certificate, for requesting that the player be allocated an appropriate handicap by the Competition Committee.

The team's score for each hole will be the sum of the best two nett Stableford points scored at that hole. The Captain of the team will record for each hole in the appropriate columns on the scorecard the relevant gross and nett scores, and the resulting team's points score. The completed card will be signed by the Captain and one other team member, and handed in as soon as possible after completion of the round.

In the event of a tie, the winning score will be decided on the better points score on the last nine holes, or the last six, or the last three, as appropriate. If there is still a tie, the result will be decided on the last twelve, or the last fifteen holes.
